The only application I have made to it has been the Hair Restorative prepared by you, and which from the result in my own case, can most cordially recommend to others. Respectfully Yours, EDWARD WOLCOTT.

HAIR RESTORATIVE.-In our columns to-day will be found Prof. Wood's advertisement of the above article, to which we call attention. What it has done we have witnessed upon several of our acquaintances in St. Louis. Hair once grey met our view, black or brown, as the case might be, being the color of early manhood, and as fine and grossy as 118 Bell'sex'r vs. B's of Tenn 22 Morrison vs. Graham;

cleances the head of dardruf, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance, and all this without disco oring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,

Wilson King.
